

Sec. 1. DEFINITIONS

“Continuing duties related to contracted services” are work duties that are performed pursuant to a contract to provide services to Life School on a regular, repeated basis rather than infrequently or one-time only.

A “covered contract employee” is an individual who:

1. Is employed or offered employment by a service contractor or a subcontractor of a service contractor, is an individual independent contractor of Life School, or is an individual subcontractor of a service contractor;
2. Has or will have continuing duties related to the contracted services;
3. Has or will have direct contact with students; and
4. Is not a student of (or enrolled in) Life School.

“Direct contact with students” is the contact that results from activities that provide substantial opportunity for verbal or physical interaction with students that is not supervised by a certified educator or other professional Life School employee. Contact with students that results from services that do not provide substantial opportunity for unsupervised interaction with a student or students, such as addressing an assembly, officiating a sports contest, or judging an extracurricular event, is not, by itself, direct contact with students. However, direct contact with students does result from any activity that provides substantial opportunity for unsupervised contact with students, which might include, without limitation, the provision of coaching, tutoring, or other services to students.

“Public works contractor” means an entity that contracts directly with or subcontracts with an entity that contracts with Life School to provide services to Life School.

A “contracting entity” is an entity that contracts directly with Life School to provide services to Life School. However, when conducting an investigation or intervention regarding an alleged crime or act of child abuse on a school campus, a law enforcement agency or the Department of Family and Protective Services is not a contracting entity, and the investigator or intervener is not a covered contract employee.

A “subcontracting entity” is an entity that contracts with another entity that is not Life School to provide services to Life School or shared services arrangement.

A “qualified school contractor” is an entity that:

1. Contracts or subcontracts to provide services to Life School; and
2. Is determined eligible by the Department of Public Safety (“DPS”) to obtain criminal history record information under the National Child Protection Act of 1993, 34 U.S.C.

40101 *et seq.*, for an employee, applicant for employment, or volunteer of the qualified school contractor.

Tex. Educ. Code § 22.0834; 19 Tex. Admin. Code § Tex. Admin. Code § 153.1101(2)-(3), (7), (10).

Sec. 2. NATIONAL CRIMINAL HISTORY RECORD INFORMATION (“NCHRI”) REVIEW

Sec. 2.1. Contractors with Continuing Duties and Direct Contact with Students

The requirements of this policy apply to a person who is not an applicant for or holder of a certificate under Subchapter B, Chapter 21, Texas Education Code and who is offered employment by an entity or a subcontractor of an entity that contracts with Life School to provide services if:

1. The employee or applicant has or will have continuing duties related to the contracted services; and
2. The employee or applicant has or will have direct contact with students.

If a contracting or subcontracting entity determines that these criteria do not apply to an employee, the entity shall make a reasonable effort to ensure that the conditions or precautions that resulted in that determination continue to exist throughout the time that the contracted services are provided.

Tex. Educ. Code § 22.0834(a), (l).

Sec. 2.2. Exception: Public Works Contractors

The requirements of this policy do not apply to an employee or applicant of a public works contractor if:

1. The public work does not involve the construction, alteration, or repair of an instructional facility as defined by Texas Education Code § 46.001;
2. For public work that involves construction of a new instructional facility, the person’s duties related to the contracted services will be completed not later than the seventh day before the first date the facility will be used for instructional purposes; or
3. For a public work that involves an existing instructional facility:
 - a. The public work area contains sanitary facilities and is separated from all areas used by students by a secure barrier fence that is not less than six feet in height; and
 - b. The contracting entity adopts a policy prohibiting employees, including subcontracting entity employees, from interacting with students or entering areas used by students, informs employees of the policy, and enforces the policy at the public work area.

Tex. Educ. Code § 22.0834(a-1).

Sec. 2.3. Qualified School Contractors

If the contracting entity is a qualified school contractor, a person must submit to a NCHRI review by the qualified school contractor before being employed or serving in a capacity described in this policy. *Tex. Educ. Code § 22.0834(b)*.

A qualified school contractor acting as a contracting entity shall require that any of its subcontracting entities obtain all criminal history record information (“CHRI”) that relates to an employee if the subcontracting entity is also a qualified school contractor. *Tex. Educ. Code § 22.0832(d-1)*.

Life School or a qualified school contractor may obtain from any law enforcement or criminal justice agency all CHRI that relates to a person. *Tex. Educ. Code § 22.0834(h)*.

A qualified school contractor shall certify to Life School that the entity has received all CHRI relating to a person who is employed by or under a current offer of employment by the qualified school contractor. *Tex. Educ. Code § 22.0834(q)*.

A qualified school contractor shall require that any of its subcontracting entities that are not qualified school contractors comply with the requirements of “Other Contractors,” below. *Tex. Educ. Code § 22.0834(d-2)*.

Sec. 2.4. Other Contractors

If the contracting entity or subcontracting entity is not a qualified school contractor, a person must submit to a NCHRI review by Life School. *Tex. Educ. Code § 22.0834(b-1)*.

The requirements for qualified school contractors and subcontracting entities described above do not apply to a qualified school contractor if Life School obtains the CHRI of a person through the criminal history clearinghouse. *Tex. Educ. Code § 22.0834(e)*.

Sec. 2.5. DPS Criminal History Clearinghouse

Before or immediately after employing or securing the services of a person, the qualified school contractor or Life School shall send or ensure that the person sends to DPS information that is required by DPS for obtaining NCHRI, which may include fingerprints and photographs. DPS shall obtain the person’s NCHRI and report the results through the criminal history clearinghouse as provided by Government Code 411.0845. *Tex. Educ. Code § 22.0834(c)*.

A qualified school contractor or Life School shall obtain all CHRI that relates to a person through the criminal history clearinghouse. *Tex. Educ. Code § 22.0834(d)*.

Sec. 2.6. Disqualifying Conviction

Life School, a qualified school contractor, a contracting entity, or a subcontracting entity may not permit a person to provide services at a school if the employee has been convicted of a felony or misdemeanor offense that would prevent a person from being employed under Education Code 22A.057(a). *Tex. Educ. Code § 22.0834(o)*.

Additionally, Life School may not allow a person who is an employee of or applicant for employment by a qualified school contractor or an entity that contracts with Life School to serve at the school if Life School obtains information showing a disqualifying conviction through a CHRI review concerning the employee or applicant. Life School must ensure that an entity that it contracts with for services has obtained all required CHRI. *Tex. Educ. Code § 22A.157(c)*.

Sec. 2.7. Emergencies

In the event of an emergency due to a health or safety concern, a reasonably unforeseen situation, or other exigent circumstances, the Life School employee who is in charge of the facility shall be authorized to determine whether an employee of a contracting or subcontracting entity who does not have the required CHRI review or who has a disqualifying conviction will be permitted to enter a Life School facility. If allowed to enter the facility, the employee of the contracting or subcontracting entity shall be accompanied by a Life School employee at all times. *Tex. Educ. Code § 22.0834(f)*.

Sec. 3. CONTRACTORS PROVIDING TRANSPORTATION SERVICES

Sec. 3.1. Access to CHRI in General

Except as provided in Section 3.2 below, if Life School contracts with a person for transportation services, Life School shall obtain from any law enforcement or criminal justice agency all CHRI relating to a person employed by the person as a bus driver or a person the person intends to employ as a bus driver.

Except as otherwise provided in this Section, a person or management company that contracts with Life School to provide transportation services shall submit to Life School the name and other identification data required to obtain criminal history record information of each person described by this section.

If Life School obtains information that such a person has been convicted of a felony or a misdemeanor involving moral turpitude, Life School shall inform the chief personnel officer of the person or management company with whom Life School has contracted, and the person or management company may not employ that person to drive a bus on which students are transported without the permission of the Board.

Tex. Educ. Code § 22.084(a)–(b); 19 Tex. Admin. Code § 100.1153(d).

Sec. 3.2. Commercial Transportation Company

If Life School contracts with a commercial transportation company for transportation services, the company may obtain from any law enforcement or criminal justice agency all CHRI that relates to a person employed by the company as a bus driver, bus monitor, or bus aide, or a person the company intends to employ in one of those positions. If the company obtains criminal history record information indicating that a person it employs or intends to employ has been convicted of a felony or a misdemeanor involving moral turpitude, the company may not, without the permission of the Board, employ that person to drive or serve as a bus monitor or bus aide on a bus on which students are transported. If the commercial transportation company obtains the CHRI, Life School is not required to do the same. *Tex. Educ. Code § 22.084(c)-(d); 19 Tex. Admin. Code § 100.1153(d).*

Sec. 4. ADDITIONAL AUTHORITY TO ACCESS TO CHRI

Life School or an entity that contracts to provide services to Life School is entitled to obtain CHRI that Life School or entity is required or authorized to obtain under Subchapter C, Chapter 22, Texas Education Code that relates to a person who is:

1. An applicant for employment by Life School;
2. An employee of or an applicant for employment with a public or commercial transportation company that contracts with Life School to provide transportation services if the employee drives or the applicant will drive a bus in which students are transported or is employed or is seeking employment as a bus monitor or bus aide on a bus in which students are transported;

5. A tutor who provides services on behalf of a service provider that offers accelerated or supplemental instruction under Section 28.0211, Texas Education Code.

Tex. Gov't Code § 411.097(a).

Sec. 5. PERMISSIVE CRIMINAL HISTORY CHECKS

Life School may obtain from any law enforcement or criminal justice agency, including DPS, all CHRI that relates to an employee of or an applicant for employment by a management company or other person that contracts with Life School to provide management services or other services, if:

1. The employee has or will have continuing duties related to the contracted services; and
2. The duties are or will be performed on school property or at another location where students are regularly present.

19 Tex. Admin. Code § 100.1153(e)(3).

Sec. 6. DISCLOSURE PROHIBITED
