A Life School member of the ARD committee may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member’s area of curriculum or related services if the parent, in writing, and Life School consent to the excusal and the member submits, in writing, to the parent and the ARD committee, input into the development of the IEP before the meeting.

20 U.S.C. 1414(d)(1)(C); 34 CFR 300.321(e).

a) *Transition Meeting Membership*

If the ARD committee is meeting to consider postsecondary goals and the transition services needed to assist the student in reaching those goals, Life School shall invite:

1. The student. If the student does not attend, Life School shall take other steps to ensure that the student’s preferences and interests are considered.

20 U.S.C. 1414(f); 34 CFR 300.322(c).

An ARD committee meeting may be conducted without a parent in attendance if Life School is unable to convince the parents that they should attend. In such event, Life School must keep a record of its attempts to arrange a mutually agreed time and place, such as:

1. Detailed records of telephone calls made or attempted and the results of those calls;
2. Copies of correspondence sent to the parents and any responses received; and

student's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once per year.

If the student has a behavioral intervention plan ("BIP") as part of the child's IEP, the ARD committee must review the BIP at least annually and more frequently if appropriate to address the safety of the student, the safety of others, or changes in the child's circumstances that may impact the child's behavior in accordance with TEC 29.005(h).

A meeting does not include informal or unscheduled conversations involving Life School personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provision. A meeting also does not include preparatory activities that Life School personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

20 U.S.C. 1414(d)(4); 34 CFR 300.116(b)(1), 300.324(b), (c)(1); 300.501(b)(3).

19 TAC 89.1050(e).

b) *Transfer Students*

If a student transfers to Life School, and the student had a previous IEP in place, Life School shall provide the student with a free appropriate public education ("FAPE"), including services comparable to those described in the previous IEP, in consultation with the parents, until:

1. In the case of a student who transfers within the state, Life School adopts the previous IEP or develops, adopts, and implements a new IEP.
2. In the case of a student who had an IEP in effect in another state, Life School conducts an evaluation, if determined necessary by Life School, and develops, adopts, and implements a new IEP, if appropriate.

20 U.S.C. 1414(d)(2)(C)(i); 34 CFR 300.323(e), (f).

c) *Transfer of Records*

d) *Military Dependents*

Life School shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude Life School from performing subsequent evaluations to ensure appropriate placement of the student.

Education Code 162.002 art. V, § C.

Sec. 7. ELIGIBILITY DETERMINATIONS

The group of qualified professionals that determines whether a child is a child with a disability and the child's educational needs is the ARD committee.

Evaluations and eligibility determinations shall adhere to the requirements set forth in the IDEA, the Texas Education Code, and their implementing regulations. For additional information, *see* PG-6.14 through 6.16.

19 TAC 89.1040(b), 89.1050(a)(5); 34 CFR 300.306(a)(1).

20 U.S.C. 1414(b)(4)(B); 34 CFR 300.306(a).

The ARD committee must make its decisions regarding a student's initial eligibility determination and, when appropriate, the student's IEP and placement within the timeframes prescribed by state and federal law.

19 TAC 89.1011(d), (e).

Sec. 8. INDIVIDUALIZED EDUCATION PROGRAM

Life School shall develop, review, and revise an IEP for each child with a disability, and Life School shall have an IEP in effect for each child with a disability at the beginning of each school year.

20 U.S.C. 1412(a)(4),(d)(2)(A); 34 CFR 300.320(a).

The term “individualized education program” or “IEP” means a written statement for each child with a disability that includes:

1. A statement of the child’s present levels of academic achievement and functional performance;
2. A statement of measurable annual goals, including academic and functional goals;
3. A description of how the child’s progress toward the annual goals will be measured and when periodic reports on the progress of the child will be provided;
4. A statement of the specific special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the child;
5. A statement of the program modifications or supports for school personnel that will be provided for the child;
6. An explanation of the extent, if any, to which the child will not participate with nondisabled children in the regular class and in extracurricular and nonacademic activities;
7. The projected dates for initiation of services and modifications and the anticipated frequency, location, and duration of these services and modifications;
8. A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the child on state or system-wide assessments;

10. Beginning not later than the first IEP to be in effect when the child is 16, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate, measurable postsecondary goals and transition services needed to assist the child in reaching those goals; and
11. Beginning not later than one year before the child reaches the age of 17, a statement that the child has been informed of the rights that will transfer to the child upon reaching the age of majority.

20 U.S.C. 1414(d); 34 CFR 300.320; 19 TAC 89.1055.

Sec. 9. TRANSLATING IEPs

If the child's parent is unable to speak English, Life School shall:

1. Provide the parent with a written or audio-taped copy of the child's IEP translated into Spanish if Spanish is the parent's native language; or
2. If the parent's native language is a language other than Spanish, make a good faith effort to provide the parent with a written or audiotaped copy of the child's IEP translated into the parent's native language.

Education Code 29.005(d).

Sec. 10. AUTISM/PERVASIVE DEVELOPMENTAL DISORDERS

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and post-secondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders ("ASD");
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the child's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;
8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

19 TAC 89.1055(e)–(f).

Sec. 11. VISUAL IMPAIRMENT

Life School shall adopt written procedures as required in Education Code 30.002(c)(10) for providing special education services to students with visual impairments, if such services are necessary.

19 TAC 89.1075(b).

An IEP for a student with a visual impairment must include instruction in braille unless the student’s ARD committee determines and documents that braille is not an appropriate literacy medium for the student, based on an evaluation of the student’s appropriate literacy media and literacy skills and the student’s current and future instructional needs.

Education Code 30.002.

Sec. 12. STUDENTS WHO ARE DEAF OR HARD OF HEARING

Life School must develop an IEP for students who are deaf or hard of hearing in which the students have an education in which their unique communication mode is respected, used, and developed to an appropriate level of proficiency.

Education Code 29.303.

Sec. 13. COLLABORATIVE PROCESS

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions concerning the required elements of the IEP shall be made by agreement of the required members, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

a) Recess

When agreement about all required elements of the IEP is not achieved, the parent or adult student who disagrees shall be offered a single opportunity to have the ARD committee recess for a period not to exceed ten school days. This recess is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program.

These requirements do not prohibit the members of the ARD committee from recessing an ARD committee meeting for reasons other than failure of the parents and Life School to reach agreement about all required elements of an IEP.

During the recess, the ARD committee members shall consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons to enable the ARD committee to reach agreement.

The date, time, and place for continuing the ARD committee meeting shall be determined by agreement before the recess.

19 TAC 89.1050(g).

When an ARD committee agrees to recess and reconvene due to a lack of mutual agreement about one or more required IEP elements, the parent or Life School may request an independent facilitator from the Texas Education Agency in accordance with 19 TAC 89.1197 and TEC 29.020.

b) No Agreement Reached

If, after the ten-day recess, the ARD committee still cannot reach agreement, Life School shall implement the IEP that it has determined to be appropriate for the student. A written statement of the basis for the disagreement shall be included in the IEP. Each ARD committee member who disagrees with the IEP is entitled to include a statement of disagreement in the IEP.

TEC 29.005(c); 19 TAC 89.1050(g).

When Life School implements an IEP with which the parents, or an adult student disagree, it shall provide prior written notice in compliance with applicable regulations and Life School policy.

19 TAC 89.1050.

Sec. 14. IEP MODIFICATION

After a student's annual ARD committee meeting, changes to an IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP. To do so, the parent and Life School must agree to not convene an ARD committee meeting to amend the IEP and Life School must develop a written document to amend or modify the IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

Decisions regarding eligibility, changes of placement, and manifestation determination reviews may not be conducted through the amendment process.

34 CFR 300.324(a)(4),(6).

To the extent possible, Life School shall encourage the consolidation of reevaluation meetings for the child and other ARD committee meetings for the child.

20 U.S.C. 1414(d)(3)(D)–(F); 34 CFR 300.324(a)(4)–(a)(6).

Sec. 15. LEAST RESTRICTIVE ENVIRONMENT

Life School shall ensure that, to the maximum extent possible, children with disabilities shall be educated with children who are not disabled. Special classes, special schooling, or other removal of children with disabilities from the regular educational environment shall occur only when the nature or severity of the child's disability is such that education in regular classes with the use of supplementary aids and services cannot be satisfactorily achieved.

20 U.S.C. 1412(a)(5); 34 CFR 300.114(a)(2).

Sec. 16. EXTENDED SCHOOL YEAR SERVICES

Life School shall ensure that ESY services are available as necessary to provide a student with a disability with a FAPE.

ESY services must be provided only if the ARD committee determines, on an individual basis, that the services are necessary for a FAPE. Life School may not limit ESY services to particular categories of disability or unilaterally limit the type, amount, or duration of ESY services.

34 CFR 300.106; 19 TAC 89.1065.

Sec. 17. GRADUATION

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

19 TAC 101.3023(a).

Sec. 18. STATE ASSESSMENTS

The TEA shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's ARD committee, including assessment instruments approved by the Commissioner that measures growth. The assessment instruments developed or adopted, including the assessment instruments approved by the Commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

The TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required end-of-course ("EOC") assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Sec. 19. TRANSPORTATION

Life School shall provide special transportation with federal funds only when the ARD committee determines that the condition of the student warrants the service in order for the student to receive the special education and related services (if any) set forth in the IEP.

19 TAC 89.1096(e).

2. If the student is younger than 18 years of age, appropriate parental involvement in the student's transition;

c) *Graduation*

Graduation with a regular high school diploma under 19 TAC 89.1070(b)(1), (b)(2)(D), (f)(1), (f)(2), or (f)(3)(D) terminates a student's eligibility for special education services. Life School shall provide the child with a summary of the child's academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals.

20 U.S.C. 1414(c)(5); 34 CFR 300.102(a)(3), 300.305(e)(2); 19 TAC 89.1070.

Sec. 21. BEHAVIOR IMPROVEMENT PLANS/BEHAVIOR INTERVENTION PLANS

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan ("BIP") is appropriate for a student with an IEP. If deemed appropriate, the BIP shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student.

If a BIP is included as part of a student's IEP, the ARD committee shall review the plan at least annually and more frequently if appropriate to address:

1. changes in a student's circumstances that may impact the student's behavior, such as:
 - a. the placement of the student in a different educational setting;
