

Sec. 1. REFERRAL FOR FULL AND INDIVIDUAL INITIAL EVALUATION

Referral of students for a full and individual initial evaluation for possible special education services shall be a part of Life School’s overall general education referral or screening system. Either a parent, the Texas Educational Agency (“TEA”), another state agency, or Life School may initiate a request for an initial evaluation.

a) *Obligation to Refer*

Before referral, students experiencing difficulty in the general classroom should be considered for all support services available to all students. If a student continues to experience difficulty in the general classroom after the provision of interventions, Life School personnel must refer the student for a full and individual initial evaluation.

20 U.S.C. 1414(a)(1); 34 CFR 300.301; 19 TAC 89.1011.

b) *Parent Request*

If a parent submits a written request for a full individual and initial evaluation of a student, Life School shall, not later than the 15th school day after the date Life School receives the request:

1. Provide the parent with prior written notice of its proposal to conduct an evaluation consistent with 34 CFR 300.503, a copy of the procedural safeguards notice required by 34 CFR 300.504, and an opportunity to give written consent for the evaluation; or
2. Provide the parent with prior written notice of its refusal to conduct an evaluation consistent with 34 CFR 300.503, and a copy of the procedural safeguards notice required by 34 CFR 300.504.

20 U.S.C. 1414(a)(1); 34 C.F.R. 300.301; 19 TAC 89.1011(a), (b); Education Code 29.004(c).

Sec. 2. NOTICE OF RIGHTS

Life School shall provide written notice to a student’s parent or guardian within a reasonable time before proposing or refusing to initiate the identification, evaluation, or educational placement of a student or the provision of a free appropriate public education (“FAPE”).

34 CFR §300.8(c)(10)

Sec. 3. INITIAL EVALUATION

Life School shall conduct a full and individual initial evaluation before the initial provision of special education and related services. *20 U.S.C. 1414(a)(1)(A)*.

Life School shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations. *20 U.S.C. 1414(b)(3)(D)*.

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. *20 U.S.C. 1414(a)(1)(E)*.

a) *Consent for Initial Evaluation*

Life School shall make reasonable efforts to obtain informed parental consent before conducting an initial evaluation.

If the parent does not provide consent for an initial evaluation or fails to respond to a request to provide consent, Life School may—but is not required to—pursue the initial evaluation by utilizing due process procedures, except to the extent inconsistent with state law relating to such parental consent.

Parental consent to initial evaluation shall not be construed as consent for placement for special education and related services. *20 U.S.C. 1414(a)(1)(D)(i)(1); 34 CFR 300.300*.

b) *Wards of the State*

If the child is a ward of the state and is not residing with the child's parent, Life School shall make reasonable efforts to obtain the informed consent from the parent for an initial evaluation, unless:

1. Life School cannot discover the whereabouts of the parent, despite reasonable efforts to do so;
2. The rights of the parent have been terminated; or
3. The rights of the parent to make educational decisions have been subrogated and an individual appointed by a judge to represent the student has given consent for an initial evaluation.

20 U.S.C. 1414(a)(1)(D)(iii); 34 CFR 300.300(a)(2).

Sec. 4. PROVIDING ASSISTANCE TO STUDENTS WHO HAVE LEARNING DIFFICULTIES OR NEED SPECIAL EDUCATION SERVICES

If a student is experiencing learning difficulties, the parent may contact their child’s campus Principal to learn about Life School’s overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (“RtI”). The implementation of RtI has the potential to have a positive impact on Life School’s ability to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation for special education services by presenting a written request to Special Education Manager or to a Life School administrative employee. Life School must, within 15 school days of receiving the request, either (1) give the parent an opportunity to give written consent for the evaluation or (2) refuse to provide the evaluation and provide the parent with written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their rights if they disagree with Life School. Additionally, the parent will receive a copy of the *Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities*.

If consent for evaluation is obtained, Life School must generally complete the evaluation and report within 45 school days of the date Life School receives the written consent. Life School must give a copy of the evaluation report to the parent.

Sec. 5. NOTIFICATION TO PARENTS REGARDING INTERVENTION STRATEGIES

Each school year, Life School shall notify a parent of each child, other than a child enrolled in a special education program, who receives assistance from the Life School for learning difficulties, including through the use of intervention strategies that Life School provides to the child. The notice must:

1. Be provided when the child begins to receive the assistance for that school year;
2. Be written in English or, to the extent practicable, the parent’s native language; and
3. Include:
 - a. A reasonable description of the assistance that may be provided to the child, including any intervention strategies that may be used;
 - b. Information collected regarding any intervention in the base tier of a multi-tiered system of supports that has previously been used with the child;

- c. An estimate of the duration for which the assistance, including through the use of intervention strategies, will be provided;
- d. The estimated time frames within which a report on the child’s progress with the assistance, including any intervention strategies used, will be provided to the parent; and
- e. A copy of a written explanation of the options and requirements for providing assistance to students who have learning difficulties or who need or may need special education. The explanation must state that a parent is entitled at any time to request an evaluation of the parent’s child for special education services or for aids, accommodations, or services under Section 504 of the Rehabilitation Act (“Section 504”).

The notice under this policy may be provided to a child’s parent at a Section 504 meeting.

A parent is entitled to access to all written records of Life School concerning the parent’s child, including attendance records, test scores, grades, disciplinary records, counseling records, psychological records, applications for admission, health and immunization information, teacher and school counselor evaluations, reports of behavioral progress, and records relating to assistance provided for learning difficulties, including information collected regarding any intervention strategies used with the child.
