MANAGEMENT REPORT FINANCIAL INTEGRITY RATING SYSTEM OF TEXAS 2017

Public Meeting October 25, 2017

Purpose of Rating System

Texas Education Code Chapter 39, Subchapter D

The commissioner shall develop and implement a financial accountability rating system for charters that:

- Distinguishes charter schools based on levels of *financial* performance
- Provide additional transparency to public education finance
- Enable the commissioner and charter school administrators to provide meaningful financial oversight and improvement
- Include processes for anticipating future financial solvency

2017 Rating System

- A rating worksheet with 15 indicators must be completed for each charter district
- Indicators 1 through 5 are answered either Yes or No – if fail 1, 3, 4, 5 or 2A the rating is F for substandard
- Indicators 6-15 are rated based on a scale of 0 to 10
- 2017 Rating is based on 2015-2016 fiscal year

I – Was the complete annual financial and compliance report and charter school financial data submitted to TEA on or before the January 28 deadline?

2.A – Was there an unmodified opinion in the AFR on the financial statements as a whole?

<u>2014-2015</u> YES

- 2.B Did the external auditor report that the AFR was free of an instance(s) of material weakness in internal controls over financial reporting and compliance?

Determination of Charter School Rating	
Did the charter school fail any of the critical indicators 1, 3, 4, 5, or 2.A? If so, the charter school's rating is F for Substandard Achievement, regardless of points earned.	
Determine rating by applicable number of points.	Points
A = Superior	90 through 100
B = Above Standard	80 through 89
C = Meets Standard	60 through 79
F = Substandard Achievement (The charter school receives an F if it scores below the minimum passing score, if it failed any critical indicator 1, 3, 4, 5, or 2.A, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.)	0 through 59

School FIRST Annual Financial Management Report

Title 19 Texas Administrative Code Chapter 109, Budgeting, Accounting, and Auditing Subchapter AA, Commissioner's Rules Concerning Financial Accountability Rating System, Section 109.1005. Effective 2/3/11. The template has been established to help the charter schools in gathering their data and presenting it at their School FIRST hearing. The template may not be all inclusive.

Superintendent's Current Employment Contract

A copy of the superintendent's current employment contract at the time of the School FIRST hearing is to be provided. In lieu of publication in the annual School FIRST financial management report, the charter school may chose to publish the superintendent's employment contract on the charter school's Internet site. If published on the Internet, the contract is to remain accessible for twelve months.

Section Three: Indicator Tests

	Charter FIRST - Rating Worksheet Calculations Dated August 201	5 for Rating Year 2016-2017
	Indicator	Calculation Defined
1	Was the complete annual financial report (AFR) and charter school financial data submitted to TEA within 30 days of the November 27 or January 28 deadline depending on the charter school's fiscal year end date of June 30 or August 31, respectively?	No Calculation Involved
2	Review the AFR for an unmodified opinion and material weaknesses. The charter school must pass 2.A to pass this indicator. The charter school fails indicator number 2 if it responds "No" to indicator 2.A. or to both indicators 2.A and 2.B.	The charter school must pass 2.A
2.A	Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Public Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion.)	No Calculation Involved
2.B	Did the external independent auditor report that the AFR was free of any instance(s) of material weaknesses in internal controls over financial reporting and compliance for local, state, or federal funds? (The AICPA defines material weakness.)	No Calculation Involved
3	Was the charter school in compliance with the payment terms of all debt agreements at fiscal year end? (If the charter school was in default in a prior fiscal year, an exemption applies in following years if the charter school is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)	No Calculation Involved
	Did the charter school make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies? (Payments to the TRS and TWC are considered timely if a warrant hold that was issued in connection to the untimely payment was cleared within 30 days from the date the warrant hold was issued.)	For TRS and TWC, if not cleared within 30 days. For the IRS and other governmental agencies there is no calculation involved. The agency will use the AFR, warrant holds, information from the IRS and other sources to make a determinations of timely payments.
5	Was the total net asset balance in the Statement of Financial Position for the charter school greater than zero? (If the charter school's change of students in membership over 5 years was 10 percent or more, then the charter school passes this indicator.) (New charter schools that have a negative net asset balance will pass this indicator if they have a 10 percent growth in students year over year until it completes its fifth year of operations. After the fifth year of operations, the calculation changes to the 10 percent increase in 5 years.)	A + B > C OR (((D - E) / E) x 100) ≥ F, whereA = Total net asset balance in the statement offinancial position in the annual financial report;B = Pension Expense, Other Post EmploymentBenefits (OPEB), and Net Pension Liability (NPL), asapplicableC = Net assets threshold, which = 0;D = Number of students in membership in year 5 frombase year;E = Number of students in membership in base year;F = Threshold for percent change in students inmembership, which = 10%
6	Was the number of days of cash on hand and current investments for the charter school sufficient to cover operating expenses? The calculation will use expenses, excluding depreciation. For government charter schools, pension expense will be excluded.	$\frac{[(A + B) / (C - D - E)] * 365, \text{ where}}{A = Cash \& Equivalents;}$ B = Current Investments; C = Total Expenditures; D = Depreciation Expense; E = Pension Expense, OPEB, and NPL, as applicable
7	Was the measure of current assets to current liabilities ratio for the charter school sufficient to cover short-term debt?	A / B, where A = Current Assets; B = Current Liabilities

8	Was the ratio of long-term liabilities to total assets for the charter school sufficient to support long-term solvency? (If the charter school's change of students in membership over 5 years was 10 percent or more, then the charter school passes this indicator.) (New charter schools that have a negative net asset balance will pass this indicator if they have a 10 percent growth in students year over year until it completes its fifth year of operations. After the fifth year of operations, the calculation changes to the 10 percent increase in 5 years.)	A - B / C, where A = Long Term Liabilities; B = Pension Expense, OPEB, and NPL, as applicable C = Total Assets
	Did the charter school's revenues equal or exceed expenses, excluding depreciation? If not, was the charter school's number of days of cash on hand greater than or equal to 40 days? The calculation will use expenses, excluding depreciation. For government charter schools, pension expense will be excluded.	A = Total Revenue;
10	Was the debt service coverage ratio sufficient to meet the required debt service?	$\frac{(A - B + C + D - E) / D, \text{ where}}{A = \text{Total Revenue;}}$ B = Total Expenses; C = Depreciation; D = Debt Service (interest and principal payments) E = Pension Expense, OPEB, and NPL, as applicable
11	Was the charter school's administrative cost ratio equal to or less than the threshold ratio?	(A / B) < threshold based on CS size, where A = Sum of amounts for function codes 21 and 41; B = Sum of amounts for function codes 11, 12, 13, and 31 *Includes object codes 61XX-64XX in fund codes 199 and 420
	Did the charter school not have a 15 percent decline in the students to staff ratio over 3 years (total enrollment to total staff)? (If the student enrollment did not decrease, the charter school will automatically pass this indicator.)	(A / B) - 1 > -0.15 or C - D > 0, where A = Student to Staff ratio in the year under review; B = Student to Staff ratio 3 years prior to the year under review; C = Enrollment in the year under review; D = Enrollment 3 years prior to the year under review
13	Did the comparison of Public Education Information Management System (PEIMS) data to like information in the charter school's AFR result in a total variance of less than 3 percent of all expenses by function?	$\frac{A / B < C, \text{ where}}{A = Sum of the absolute values of all differences in expenses (determined by function) between the Statement of Activities and PEIMS;B = Sum of expenses for all expenses presented in the Statement of Activities;C = Threshold for percentage of data variance, which = 3%$
	Did the external independent auditor indicate the AFR was free of any instance(s) of material noncompliance for grants, contracts, and laws related to local, state, or federal funds? (The AICPA defines material noncompliance.)	No Calculation Involved
15	Did the charter school not receive an adjusted repayment schedule for more than one fiscal year for an overallocation of Foundation School Program (FSP) funds as a result of a financial hardship?	No Calculation Involved

2016-2017 Indicator Test 3

Indicator Details and Formula	Result Determination Reference
Charter School Name:	LIFE SCHOOL(057807)
Indicator:	Was the charter school in compliance with the payment terms of all debt agreements at fiscal year end? (If the charter school was in default in a prior fiscal year, an exemption applies in following years if the charter school is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)
