## INCLEMENT WEATHER GUIDE

### **Committed to Safety**

Life School is committed to providing a quality educational experience every day for our students. Occasionally, the weather becomes a factor beyond our control and can cause changes in the daily schedule. Weather conditions are carefully reviewed before classes are canceled, delayed, or dismissed early. School personnel plans are in place to assure the well-being of students affected by the decision to dismiss students early.

### **Informing Students**

If weather conditions exist or should develop during the course of the day that will have an effect upon driving conditions and/or school facilities, it may become necessary to close school or dismiss students early. Parents should discuss with their children what to do if school is dismissed early.

### **Informing Parents & Community**

In the event schools are to be closed or the daily schedule is altered due to an inclement weather change, information will be sent out via School Messenger as well as posted on the [Life School website](#), Twitter, Facebook, Instagram and selected media outlets. Every attempt will be made to decide the closure of school prior to 6:30am the day of closure. In situations where school is dismissed early due to inclement weather, emails, phone calls and texts will be sent along with postings on social media.

Regular schedules will resume the next school day unless announced otherwise.

If no announcement of closing, early release, or delayed start is made through email, the website, social media channels, or traditional media outlets, you may assume schools will remain in session.
