

(CTE Dual Enrollment)

Welding

HVAC

Diesel Mechanic

Cybersecurity

Entrance Requirements for TSTC

- Requires a two-year commitment for both Junior and Senior year.
- Application and counselor approval required.
- Parent permission
- Teacher recommendations
- Students must be passing all classes and must be in good standing with daily attendance and campus discipline.
- Students are required to pay the costs of tuition, fees, and needed equipment.

CTE Pathway

Due to enrollment and teacher availability, not every class may be offered every year.

Diesel Equipment Technology (Hybrid)	HVAC Technician (Hybrid)	Structural Welding (Hybrid)	Cybersecurity Technology (Online)

Tuition, Books, and Transportation

- The student and parent/guardian will be responsible for tuition fees as low as \$33 per credit hour and for any books required for courses at TSTC. **(Tuition approx. \$100 per semester)**
- There may be clothing and tool purchases that will be required for courses at TSTC.
- Life School will be providing transportation to TSTC for Life School students and students will be required to use the transportation that Life School offers.
- There may be additional fees for TSTC campus fees, toolkits, shoes, books, etc., that student/parent/guardian will be responsible for paying.

REFUND Policy

To avoid any tuition charges, review your schedule and make necessary changes prior to the first-class day of the semester. Prior to the first class day of semester 100% refund.

TSTC Application Timeline

- **February** Counselors will meet with current sophomores to discuss the program. Applications open to all 10th grade students only.
- **March** Applications are due. Late submissions will not be accepted. Limited space.
- **April** Life School application decisions made. TSTC registration process sent out.
- **May** TSTC Acceptance Letters and What to do Next sent out.
- **June** Tuition due to Life School in full. (\$33 credit hour plus college campus fees)
- **August** Student must have all required materials purchased by the first day of class (textbooks/tools).

How do I get my student enrolled?

- Student must apply end of 10th grade year and meet entrance requirements for the program. Two-year commitment.
- Applications will be accepted and due end of March.
- Accepted students will be given specific instructions on how to apply with TSTC and submit bacterial meningitis shot record and transcript.
- Payments will be paid to LHSW by due date. No refunds after the first day of class.
- Students will be given specific toolkit list, textbooks, and advised on proper attire as required for certain pathways.

What to Expect?

- Students will complete modules on LHSW campus under supervision of an instructor.
- Student will get hands-on training at TSTC on designated days. LHSW will provide transportation to and from campus.
- Students must make 80 on modules to proceed to next level. Grades A, B, or F only and will be transcribed. Failing students will be dropped from TSTC Dual Enrollment.
- Student attendance, behavior, and grades will be strictly enforced. Student will be treated as a college student.
