

Life School Carrollton Elementary

SPECIAL ANNOUNCEMENT

Happy Friday!

We are in our final week before our long Holiday Break. If you are planning to change your learning option for the third nine weeks, please make sure to turn in your request by Dec 13. We are working to adjust the master schedule depending on the number of students returning to maximize social distancing for students attending face-to-face. This change will impact remote teaching schedules. Your student's teacher(s) will be reaching out to you with their new schedules as soon as it is available. We appreciate you working with us to ensure safety on our campus. Please remember that teachers may change depending on learning option.

Also, remember that December 18th is now a FULL day. Students will not have early release on this day.

If you have any questions, please let me know. I am also here to serve.

Have a wonderful weekend!
