# District Updates

## Covid Dashboard

We recognize the importance of transparency and want to ensure our staff and families have access to important information regarding COVID-19. The district will be providing the numbers of lab-confirmed positive COVID-19 cases as well as the recovery status of those cases on a weekly basis in the COVID-19 dashboard located [here](#). Cases will also be communicated via email directly to the employees and parents of affected campuses.

## Free and Reduced Lunch Applications

Completing the application for the Free & Reduced Lunch and Breakfast program not only ensures that your student receives a nutritious meal each day, but also allows the district to receive additional funding for essential resources for all learners. Click [here](#) to apply!
