## Campus Updates

### Sixth Grade is coming to LSC for 2021-2022 School Year

I am excited to announce that Life School Carrollton received approval by our Board of Trustees and TEA to add SIXTH Grade to our campus for the 2021-2022 school year (next year). We are extremely excited about this expansion!

### 2nd Nine Week Report Cards

Second Nine Week report cards are now available on the Parent Portal. Please contact us if you need assistance accessing your student's report card.

### Fall Picture Retakes- January 19th

Picture retakes are scheduled for January 19th. I will send a Signup Genius for our remote students to sign up for pictures. Picture retakes are for any student who was either absent, not enrolled yet, or don't like their original pictures. Students taking pictures must be in complete uniform.

### Girls Empowered and Boys 2 Men Club

Students participating in Girls Empowered or Boys 2 Men will have their first meeting in January. Be on the lookout for more information from Mrs. Okiya and Mr. Perry.

# Cardinals of the Month

Cardinals of the Month will be celebrated in the Cafeteria on Tuesday, January 12th at 2:30 pm. Students will receive a certificate, a prize, and a cupcake. Here are the January Cardinals of the Month.

Teacher	Grade	Student	CHIRP	LifeLeader

## Heavenly Hats-Opportunity to Serve

Join LSC in supporting the Heavenly Hats Foundation for National Hat Day on January 15<sup>th</sup>, 2021. Celebrate this great day and help cancer patients all in one shot. We are asking students and staff to wear their favorite hat to school on National Hat Day, January 15th, and donate \$1.00 or any amount you choose to the Heavenly Hats Foundation which provides brand new hats to cancer patients nationwide. It has been a tough year for the foundation so any help that you can provide would be so greatly appreciated.

Heavenly Hats is a non-profit organization that was started by 10 year old Anthony Leanna from Green Bay, WI in 2001. Since starting Heavenly Hats we have been able to donate over 4,500,000 brand new hats to cancer patients and hospitals free of charge including shipping. All proceeds from this event will go to cover the costs that are involved with shipping the hat boxes to the patients in need.

## After School Pick-up

Please make sure that you have your hang tags in your vehicles and dashboard name card for dismissal. This helps the process move smoothly.

Additionally, if your student takes a daycare bus they will be placed on the bus each day unless Mrs. Munsie receives an email by 2pm stating alternative transportation. We are improving our dismissal process and must receive communication by 2 pm if transportation for your students is changing for the day. Student safety is our number one priority and we must work together to improve this communication.

## District Updates

# Open Enrollment

Do you know someone who should attend Life School?

The Life School enrollment application for 2021-2022 opened on January 1, and the lottery for next school year will be held on February 5. New students who apply between January 1-31 will be included in the lottery.

Please send a note to your friend or family member to let them know this important date. Or, complete this [quick referral form](#) to refer a friend to Life School and we will reach out to them.

# Covid Dashboard

We recognize the importance of transparency and want to ensure our staff and families have access to important information regarding COVID-19. The district will be providing the numbers of lab-confirmed positive COVID-19 cases as well as the recovery status of those cases on a weekly basis in the COVID-19 dashboard located [here](#). Cases will also be communicated via email directly to the employees and parents of affected campuses.

# Problem Solver

When you are ready to lead, you think about the information and tools you have to find a solution to a problem. You ask questions, listen to what others think, identify the problem, and then take action. By doing these things, you are using the LifeLeader attribute, PROBLEM SOLVER.

**READY TO LEAD**  
#ProblemSolver

"I will be a **problem solver** utilizing the available information and resources to find a solution.

- By sharing resources with others when they need my support.
- By asking questions and listening to others' ideas.
- By having a positive approach to the problem.
- By considering all options or solutions.
- By finding the root of the problem.
