Thanksgiving Break November 23- November 27

No School next week. Enjoy your time with your family. We have so many things to be thankful for. I hope that you are able to find time to reconnect with those around you, reflect on the many blessings, and give thanks for the abundance of blessings we experience.

1 to 1 Device Distribution

If you haven't already, please complete the [District Technology Agreement](#). Mr. Perry will finish issuing devices to students who have not completed the agreement when we return. All other students should have received their devices today, Friday, November 20th.

Sock Drive Nov. 9 through Dec 17

Life School Carrollton has partnered with Metro Relief, a non-profit organization that serves underprivileged and homeless communities in and around Dallas-Ft. Worth, Texas. During the months of November and December, Metro Relief is conducting a sock drive to provide socks to those in need.

If you are interested in donating packages of New Mens Tube Socks, please bring the packages to school between November 9th to December 17th. Let's see which grade level can bring the most donations. Thank you in advance for your donations! Teachers are also welcome to donate to earn a jeans pass to be worn on Fridays.

District Updates

Covid Dashboard

We recognize the importance of transparency and want to ensure our staff and families have access to important information regarding COVID-19. The district will be providing the numbers of lab-confirmed positive COVID-19 cases as well as the recovery status of those cases on a weekly basis in the COVID-19 dashboard located [here](#). Cases will also be communicated via email directly to the employees and parents of affected campuses.

Free and Reduced Lunch Applications

Completing the application for the Free & Reduced Lunch and Breakfast program not only ensures that your student receives a nutritious meal each day, but also allows the district to receive additional funding for essential resources for all learners. Click [here](#) to apply!
