

Ethical Leadership

"Fair Leader"

HELPING OTHERS DO THE RIGHT THING IN A NICE WAY, WHILE STILL TREATING EVERYONE WITH RESPECT AND FAIRNESS

Questions I ask myself:

- What rules do I need to follow when making my choice?
- How does my choice affect other things?
- How does what I want to do fit with what it means to be a LifeLeader?
- How can I show respect for others?

Ethical Leadership

What I Do and Say:

- Model correct behavior
- Learn about what is right and wrong
- Make smart choices about what to say or do
- "I made a mistake."

What I Don't Do and Say:

- Lead others to make bad choices
- Think only about myself
- Use rules and do things in a way that's not fair or flexible
- "It's okay to break the rules this one time."
