"Big World View"

*KNOWING HOW DIFFERENT GROUPS OF PEOPLE
FROM DIFFERENT PLACES AND WITH DIFFERENT
IDEAS ARE ALL CONNECTED*

Questions I ask myself:

- How can I show kindness to people who are different from me?
- How can I make sure everyone is being treated kindly and fairly?
- What can I do to help when someone is not being treated fairly?

Global Perspective

What I Do and Say:

- Try to understand why someone might think differently than I do
- Learn about where I'm from and how it influences my thoughts
- "What do you think about this?"

What I Don't Do and Say:

- Feel nervous about things or people that are not like me
- Guess what someone is trying to say without asking questions
- "My way is the best way."
