

Information Literacy

"Smart Reading"

*ABLE TO FIND, UNDERSTAND, AND SHARE
INFORMATION TO GET THINGS DONE*

Questions I ask myself:

- Where can I find honest information?
- Does this match what other trustworthy information says?
- How can this information help me learn or grow?

Information Literacy

What I Do and Say:

- Think about whether the person telling me this might have their own way of seeing things
- Think about whether this information is true or not
- "I don't know, but I can find out."

What I Don't Do and Say:

- Use information in a way that doesn't fit the situation
- Hurry through information without looking carefully
- "This is too hard."
